SIR,

Adverting to Government Order No. 1238-47/A.& I. 11-14-18 dated 10th November 1914, sanctioning a permanent advance of Rs.10/- to each of the District Economic Superintendents, I am directed to forward herewith for orders of Government copy of letter No. 463 dated 23rd September 1915 from the Deputy Commissioner and President of the Kolar District Committee in the matter of enhancing the advance.

I have the honour to be,

Sir,

Your most obedient servant,

For Secretary.

Gene - 4/4/15 ✓

Copy of letter No. 433 dated 23rd September 1915 from the Deputy Commissioner and President of the Polar District Committee to the Secretary, Mysore Economic Conference, Bangalore.

Adverting to Government Order No.1238-47/A.& I.11-14-18 dated 10th November 1914, sanctioning a permanent advance of Rs.10/- for the District Economic Superintendents, in lieu of Rs.50/- proposed by you, on the ground that they are stationed at District headquarters and can draw money from the treasury whenever they are in need of funds, I have the honour to state that an itinerating officer being stationed at district headquarters does in no way facilitate drawing money from the treasury, as it can be advantageously done only when he happens to be at headquarters. The difficulty is greater with the District Economic Superintendent, as there will be none in his office at headquarters to whom he can entrust his bills to be cashed, his only clerk accompanying him on his tours. The nature of his duty requires him to visit villages and make prolonged halts there, if need be, so much so, a post office or a taluk headquarter will not at times be within his easy reach, even to ask for an advance from other offices to enable him to pay cart hire and such other charges requiring settlement then and there. Added to this the peons who accompany him will have to be paid advance of their railway fare under Art.77 C.A.C. pending adjustment after their travelling allowance bills are received audited from the Comptroller's office and he will have at times to advance amounts for demonstrations and small experiments also.

2. The enclose statement will show how the advances of the District Superintendent have exceeded his permanent advance he holds. I may also state here that all the itinerating District Officers are allowed to hold a permanent advance of Rs. 50/-

3. Under these circumstances, I request you to be so good as to move the Government to raise the permanent advance of these officers from Rs. 10/- to Rs. 50/- as already recommended by me in my letter No. 392 dated 5/9th October 1914.
